

ANTHONY TRIVINO

GOVERNOR 2022

Join the historic movement to
restore the promise of California—
for our families, for our children,
for our future.

YOU NEVER REALLY KNOW HOW MUCH POWER LOCAL GOVERNMENT HAS—UNTIL THEY DECIDE TO ABUSE IT.

As governor, I will eliminate the overreach of government and fight to restore the **God-given freedoms and liberties that have been taken from us.**

My Core Principles

- ✓ Faith, family, freedom
- ✓ Reviving our economy
- ✓ School choice/transforming education
- ✓ Preserving our medical freedom
- ✓ Safer streets by enforcing rule of law
- ✓ Reimagining energy and infrastructure
- ✓ Reducing taxes (individual and business)
- ✓ Protecting our 1A and 2A
- ✓ Addressing housing and homelessness crises
- ✓ Restoring water resources to local farmers
- ✓ Shrinking the size and scope of government

United we stand, together we rise.
